#### **Entity Structure**

The Colville Junction Charitable Trust Board is the legal authority for the organisation. New Trustees are appointed to the Board by existing Board members. Decision making is by unanimous agreement. Trust Board membership consists of not fewer than three members. When appointing new Trustees, the Trust Board seeks to maintain fair representation of the people from the wider Colville area (everywhere North of Papa Aroha in the south west and Tuateawa in the south east). Induction processes exist for new trustees.

The Trustees represent the interests of the Trust's beneficiaries. The role of the Trustees is governance, which includes focusing on strategic direction and regular consideration of policy matters (including their development and review). The Trustees ensure the Trust is run in accordance with the Trust Deed and the requirements of the relevant government Acts. Trustees are expected to attend Trust Board Meetings and devote sufficient time to preparing for these meetings, including reports and other material provided prior to the meeting, in order to progress Trust business in a timely and efficient manner. The Trust Board operates sub-committees made up of a smaller number of Trustees who meet outside the regular Trust meeting as necessary and who make recommendations to the Trust. Such committees form an important part of the Trust's ongoing review processes including supporting development and review of Risk Management and Health and Safety. The management/day-to-day administration of the organisation (including development and review of its operational procedures which must meet policy requirements), is the role of the manager and staff.

The Trust recognises the value of working with other organisations.

Trustees are:

Bronwyn Blair (Chairperson) - 14 May 2013

Janet Palmer - 15 May 2012

Frederick Church - 01 August 2016

## **Statement of Service Performance**

### Colville Junction Charitable Trust For the year ended 31 March 2023

'What did we do?', 'When did we do it?'

#### **Description of Entity's Outcomes**

Goal 1: To enable and support a range of services and community-led development opportunities.

#### i. Colville Harbour Care (CHC)

Continued to manage the CHC project. In the last year CHC:

- · Grew 20,000 (2022: 19,000) native seedlings
- · Planted 4000 plants under contract with Waikato Regional Council through their Clean Streams initiative
- · Monitored tree survival of all previous CHC planted sites

CHC is a community-led initiative which started in 2014 to protect and enhance the biodiversity of Colville harbour. Environmental outcomes have continued to be delivered to the area through the nursery, which is project legacy for the community.

#### ii. Moehau ki te Moana (MktM)

Colville Junction signed a deed with the Ministry for the Environment in June 2021 to revitalise the waters around Moehau. The project includes fencing, riparian planting, environmental monitoring and pest control. In the last year MktM:

- Fenced 1,244 metres
- Planted 10,772 eco sourced native plants
- Conducted bi-annual SMI and chew card index
- Serviced 357 rodent traps on a monthly basis with 131 rats and 769 mice caught
- Serviced 30 possum traps with 53 possums caught
- Monitored water quality (SHMAK testing), shellfish density (MM2) and bird numbers
- Monitored tree survival of all planted areas
- Delivered two seminars, including presenting a research poster at the national NZPCN plant conference in Queenstown
- **I** Hosted three working bees and supported one more at the CHC nursery.

#### iii. Colville and Beyond (CAB)

Continued to support CAB promoting the northern Coromandel. CAB Trails Packs continue to be sold at various local outlets. New opportunities to promote the area through a mobile information centre have continued to be on hold due to Covid and recent weather events.

#### v. Services for Older Persons

Colville Junction continued to support older persons through:

• Advocacy for individuals and groups.

• Supporting the ongoing delivery of the Enliven programme in the community with an average of six people (2022: seven) attending the social gathering each week.

#### v. Child/Youth Support

Continued to provide programmes targeted to support young people at risk, with a focus on resilience, positive relationships, and self-management and practical life skills:

Delivered Colville Youth Group over three terms, activities included horse riding, play with clay and fishing

Delivered more than twenty activities and initiatives to rangatahi, including two ziplining trips, a screen printing workshop (with support from CILT Artists in the Making), and a Youth Music performance

- Youth Mentoring provided to seven young people in the community
- Provided training for nine additional youth mentors.

#### vi. Colville Events:

#### **Community Festival**

The Colville Community Festival included three performance nights: Colville Sings Swing and Blues, the Big Music Night and a Fashion Show. These were all very well attended. The festival also hosted six workshops including a sound engineering workshop, flax weaving (for a community installation piece) and play with clay for young people in the community. The festival was moved from Easter to Labour weekend in 2022 due to Covid.

#### **Children's Day Celebration**

The international Children's Day commemoration was celebrated by a Colville Junction hosted beach picnic on the first Sunday in March 2023. Beach activities included kayaking, sailing and storytelling.

#### vii. Colville Junction Community Centre

Continued to open a community drop in centre, which enabled community access in the remote northern Coromandel to a library, community op-shop/recycling centre, a range of IT resources, and information and advice.

#### viii. Community Support

Continued to provide targeted support to individuals, families and groups seeking support in a range of areas, including advocacy, parenting support and family issues.

#### x. Colville Water Supply Society (CWSS)

Colville Junction continued to manage CWSS's finances and as part of MktM managed the possum control programme servicing 36 Timms traps to protect the water quality of the Colville water catchment with 64 possums caught in the last year. (2022: 76 possums).

Goal 2: Ensure our trust is financially sustainable for the long-term benefit of our communities.

#### i. Grant applications

Continued to apply for and secure grants to support programme and project delivery.

#### ii. Funding streams

Continued to instigate development of a funding plan based on a 7 funding streams model.

**Goal 3:** Facilitate training, workforce development and other opportunities to strengthen our local communities and organisations, including Colville Junction Board & staff.

#### i. Community training opportunities

Provided six training opportunities within our community with a specific focus on community wellbeing. (2022: six)

#### ii. Colville Junction Board and Staff training

Staff and Trustees participated in 28 various training opportunities during the last year. (2022: eight)

#### iii. Continued to support the development, growth and ongoing sustainability of existing groups including:

- Colville Water Supply Society (water delivery)
- Colville Water Supply Society Riparian care of village water source project (working under our umbrella)
- Colville & Beyond (CAB) Steering Group (working under our umbrella)
- CAB Trails Development Group (subgroup of CAB) (working under our umbrella)
- The Colville Project (partnership).

**Goal 4:** Develop and maintain strategic relationships and networks to achieve positive outcomes for our communities and form relationships with hapu<sup>-</sup> and whanau in recognition of their mana whenua status.

#### i. Relationships with other organisations

Investigated opportunities for, developed and/or maintained formal relationships with government, service providers and other professionals in order to provide services and opportunities targeted to meet the needs of our communities (including Caps Hauraki, Oranga Tamariki, Pare Hauraki, Waikato Regional Council and Ministry for the Environment).

#### ii. Networking

Continued to network to support Colville Junction's community outcomes delivry.

#### iii. Tangata Whenua

Sought opportunities to engage with people with mana whenua status - with more than 61 engagements, (2022: 35)

**Goal 5:** To be a partner in the development and implementation of The Colville Project (TCP), as outlined in the current Memorandum of Understanding.

Colville Junction continued to worked closely with the Colville Community Health Trust and Colville Health Clinic on the progression of TCP.

**Goal 6:** Develop and deliver a communication plan that engages key stakeholders, raises our profile and promotes access to our services.

#### i. Communication planning

Continued to develop, implement and review communications planning.

#### ii. Monthly newsletter

Continued to prepare and deliver a monthly community newsletter free to every home: the Pānui.

#### iii. Awareness about Colville Junction

Continued to develop and promote awareness about the Trust, its services and initiatives, in order to build relationships that benefit our communities.

This statement has been subject to an audit, and should be read in conjunction with the attached Audit Report.

## **Statement of Accounting Policies**

### Colville Junction Charitable Trust For the year ended 31 March 2023

'How did we do our accounting?'

#### **Basis of Preparation**

The entity has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

#### Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

#### Income Tax

Colville Junction Charitable Trust is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

#### **Bank Accounts and Cash**

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

#### Revenue

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Trust and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received.

The following specific recognition criteria must be met before revenue is recognised.

#### **Donations and Grants**

Donations and Grants are recognised in the Statement of Financial Performance when received unless a restriction or return condition exists. Where donations and grants have such a condition they are held as deferred income until such time as the condition is satisfied.

Donated assets are recorded at their value at the date of donation. Like many other charitable organisations the Trust often receives the benefit of people's time and service carried out free of charge. This type of donation cannot be readily quantified and hence is not recorded in the financial statements.

#### **Contract Income**

Revenue from services rendered is recognised in the financial statements in proportion to the stage of completion of the transaction at the reporting date. The stage of completion is assessed by reference to the length of time of the contract for the work performed. Under this method, revenue is recognised in the accounting periods in which the services are provided.

#### Property, Plant, Equipment and Depreciation

Property, plant and equipment are stated at historical cost less any accumulated depreciation and impairment losses. Historical cost includes expenditure directly attributable to the acquisition of assets, and includes the cost of replacements that are eligible for capitalisation when these are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the year the asset is derecognised.

Upon derecognition, the asset revaluation reserve relating to the asset disposed shall be transferred to retained earnings.

#### Depreciation

Account	Method	Rate	
Equipment	Diminishing Value	40-48%	

#### **Changes in Accounting Policies**

There have been no changes in accounting policies during the year.

#### 7. Commitments

There is a commitment to lease premises at 2311 Colville Road @ \$250 a week payable from 26 August 2022 on a month by month basis (prior to this rental was \$221 per week).

On 5 August 2022 the Trust signed a five year variation to an Outcome Agreement with Oranga Tamariki for \$97,904.50 to provide programmes for youth and children in the Colville area.

In March 2021 the Trust entered into a Deed of Funding with the Ministry for the Environment under their Freshwater Improvement Fund for the delivery of the Moehau ki te Moana project. Total funding is \$1,257,452 for the delivery of a five year environmental project. \$105,342 was received during the 2023 financial year and \$178,905 was deferred from the 2022 financial year. \$51,012 is deferred to the 2023 financial year. In October 2021 the Trust entered into a Clean Stream's contract with the Waikato Regional Council for \$21,200 to plant 4,000 eco-sourced native trees. The final payment was received in September 2022 after the completion of planting. This is included in the Nursery Income.

A grant of \$5,000 was received from the DV Bryant Trust on 2 March 2023 as the third (and final) instalment of an multiyear grant of \$5,000 per year for 3 financial years. This is deferred and tagged for operational costs in 2023.

On 30 January 2022 the Trust entered into a funding agreement with World Wide Fund for Nature (WWF) for \$14,995 to support the management and expansion of the Colville Harbour Care Nursery and Environmental Monitoring. This project was completed in November 2022.

On 20 September 2022 the Trust entered into an agreement with Manatu Taonga from for the Arts and Culture Event Support Scheme to cover non recoverable costs of our postponed Community Festival due to Covid. The Trust received \$10,385.50 of which \$9,430.83 was spent and deferred \$954.67 to be used for a future event.

On 3 October 2022 the Trust received \$45,000 as the first instalment of a two year grant from Lotteries. Half is deferred to the 2024 financial year. The October 2023 grant instalment will be \$40,000. Half will relate to the 2025 financial year.

On 1 March 2023 the Trust received a 2,000 donation for emergency weather event response and preparedness from the Tindall Foundation. This has been deferred for use during future weather events.

In May 2022 the Trust received \$16,500 from Trees that Count (managed by Project Crimson Trust) for 5,500 trees planted during the 2022 planting season. On 17 November 2022 the Trust entered into an agreement to plant 7,000 trees in the 2023 planting season. Under the agreement, the Trust will invoice and receive \$28,000 after the trees are collected from the nursery (during the next financial year).
