Colville Harbour Care Rodent control

Hi everyone,

Thought I'd just give a heads up on my trapping effort in Colville Bay

So far this year (2021) I've caught: 36 rats, 146 mice & 32 possums.

Since the project started (Late 2017), the total caught is: 488 rats, 2270 mice & 82 possums.

Nathan.

CSSC would like to express our immense gratitude to our funders and supporters

VACANCY: Community Worker

Colville Social Service Collective (CSSC) has an exciting opportunity for someone with a community focus – Community Worker. This role will be focused on identifying and meeting the needs of people in the community, including providing advice and referrals and creating and implementing initiatives.

This is a part-time position. The position will be based in our office in Colville. For more information and a copy of the Job Description please contact the CSSC Manager, Larisa Webb, on cssccordinator@colville.org.nz or phone 021 258 8037. Applications close 5pm, 26 May 2021.

New Volunteers

We are delighted to have three new regular volunteers at CSSC!

- Jane Powell is at the front desk on Tuesdays
- Anne Mauri on Wednesdays
- Naomi Sumner on Fridays

Naomi is a key person in our awesome Op Shop team. Please feel free to ask them for any help :)

VACANCY: Pānui Editor

CSSC has an exciting opportunity for someone to develop and prepare the community newsletter – the Pānui. This role is suited to someone who enjoys engaging with the community and is confident with IT (it can either be prepared on Mac or PC – we have a few software options).

This is a part-time contract role. For more information and a copy of the Job Description please contact the CSSC Manager, Larisa Webb, on cssccordinator@colville.org.nz or phone 021 258 8037.

Applications close 5pm, Tuesday 8 June 2021.

Colville Easter Festival 2021

We would like to thank all the people that were involved in the last Colville Easter Festival, started last year, two attempts... and this year - a success. What a wonderful community we have. All coming together and helping each other and getting involved just for a little bit of fun (or a lot of fun). We had a full on year with lots of downs but our spirit didn't break. We'd like to thank you all for everything. Starting with the local musicians that practiced on and on, some stuck to their chosen song, some changed (a few times...) All of the performing, participating, baking, cooking, setting up, pulling down, dressing up, laughing, enjoying.

For some of you this event is: buying tickets, getting a refund, buying tickets, getting a refund, wanting to buy tickets, oops - sold out... for us it's part of our life. We think about it all year round. Searching, going to gigs, getting ideas, buying. Lots of correspondence going on, especially when postponing and cancelling. We love it. We enjoy the communal joy of art and music. Some key thanks go to the workshop tutors that donated their time, knowledge and materials: Frederick, Denise, Greer, Jenny and Kay. To the tutors that brought us new experiences: Vanessa, Kimba Jade. All the performers that made us dance and the comedian that made us laugh. And behind the scene a huge thank you to Douglas that spent hours and hours on helping us, other musicians, painted the beautiful backdrop, setting up the whole event. You're a gem. And Janet - thank you sooo much for stepping in and organising the foods in such a pro way. It felt like the good ol' times. And with you all the extended family of the Van Dort's that helped in a huge way with everything needed to be done.

The master cooks Steve Norris, Dave Roberts, Seamus and Spike and the bakers Fiona, Emma & Natalia, Mary Jo, Helen, Bronwyn, Briar and the others that cooked and baked cakes and pies. Yum...Thank you Mahamudra Centre for letting us use your kitchen. Thank you to all the amazing food servers, ticket sellers, guarding, cleaning, setting up and so many more.... Hope you had time to enjoy it as well. The extended Pearsall family for being so involved. Lena for helping setting up and so much more. There is a huge list of volunteers and donors that if we name them all I might forget someone. Our huge thanks to all, including: the Colville General Store for selling tickets, and the donation. Richardsons for selling tickets for us. Damian from Four Square Coromandel whose handsome donation fed us all over the weekend. The prizes givers: Driving Creek Railway, UMU, Hire and Bike, Himalaya shop - and for their kind donation. The anonymous donor that helped pay for the food... Coro info centre, both cafes, Colville school and Preschool - so great to see the children's artwork and to see them dancing was one of the highlights for us. Thank you for all the hard work teachers and children.

Matt, Ezy, Nathan, Josh - the good sound and lights made it all more special. Also to Luke McCauley for videography and Kataraina Hecht for photography. Thank you to all the sponsors that made it possible, Lothlorien, Resene, the raffle buyers, every penny counts. Generous grants from Trust Waikato and Creative Communities. And the ladies who make it all possible with careful calculation and budgeting - Larisa and Nicole. You're doing such a good job that makes it all much easier.

Steve & Ella

COLVILLE
COMMUNITY HEALTH TRUST

Kia Ora,

We are having great success with our student/staff housing project in Colville, with approximately 230 days accommodation offered so far to 5th and 6th year medical students, locum nursing staff and the new practice manager. Through the winter months there is limited need from staff and students so we wonder if there is anyone in the community who is in need of healthier housing during the colder winter months. **The Health Trust is therefore inviting expressions of interest from members of the community for possibly shared short-term (winter) occupation of the Staff and Student House in Colville.** Consideration would be given first to those with health difficulties in need of warmer, dryer housing. Please contact Emily at the Health Centre Mon-Fri between 9:30 and 1:00, or phone 021 0246 2028.

To Colville,

I remember how quaint and wonderful your local store was back in the early 2000's when I last visited. Imagine seeing a local article and finding that you were still there for all the locals as well as the many tourists that visit Coromandel.

Many thanks for still creating that super caring feeling into your community
Cheers,

Susan.

COLVILLE COMMUNITY HEALTH CENTRE

2299 Colville Rd, RD 4, Coromandel 3584

Phone 07 8666618. Fax 07 866 6619 Our txt number for the clinic is 4448

Mon, Tues, Wed & Thurs 9am-5pm and Fri 9am-4pm

For the after hours service phone the clinic number 07 866-6618.

Please listen to the message carefully.

The On Call person will be paged by the after hours service.

There is no answerphone service during the hours we are open

Please remember - If it's an emergency, dial 111

Kia Ora Koutou May Greetings

We are zooming through the year already and noticing the cooler nights and mornings. Our Port Charles GP clinic is not happening at the moment with Dr Kate doing less hours in the clinic. Dr Kate is presenting at the NZ Rural GP network conference in Taupo on 1st May talking about some of her work with doing ph360. If you would like to know more about this, get in contact.

Tina has left and moved to the Hawkes Bay to be closer to family. We wish her all the best. Talei Russek who has been in a casual capacity and some of you have met, is now on board permanently. Please make yourself known to her if you haven't met her. She lives in Coromandel and is a 'local' girl.

The clinic is getting more expressions of interest from other practitioners who have other therapies which is exciting for us, watch this space. Christine our acupuncturist is still doing Mondays and running the Tai Chi classes.

Hearing assessments – Sue Jennings is now living in Whitianga and is coming to Colville and Coromandel to do hearing assessments and to check hearing aids etc. Phone 029 773 1692 , DDI 07 903 7042; 0800 008 011 www.lifeunlimited.net.nz suej@lifeunlimited.net.nz

Winter Checklist as we head into the cooler months to boost your immunity:

- **Have an asthma plan if you are asthmatic. Make sure you have adequate medications on hand.**
- **Quit smoking. Help is available, call us for more info**
- **Sore throats – keep an eye out for rheumatic fever. All sore throats need to be checked especially in children**
- **Have an annual check up with your GP and Nurse**
- **Vaccinations – txt reminders may be sent out if you do not want these, please let us know. www.fightflu.co.nz, www.covid19.govt.nz**
- **Wash hands – keep up the great work and cough into your elbows/tissues**
- **Keep up the fluids – just like a car, you need to hydrate. Don't share drinks**
- **Keep active – 30 minutes or 3 x10 minutes a day to keep moving**
- **Increase wellbeing – www.mentalhealth.org.nz**
- **Warm your home – for tips, both big and small www.energiwise.govt.nz**

Till next time, thank you from the Team at Colville Community Health Centre

Whakanui

Colville School Celebration

End of Term 1

It has been a term full of learning for all of our school community. We have had our second week of Garden to Table and prepared a meal to share with whānau. The garden and kitchen are the perfect environments for integrating learning across the curriculum. By reading instructions, measuring, and inquiring the students have the opportunity to explore key concepts and skills! The highlight for most of the students was learning to use a knife safely to chop and slice ingredients.

If you are interested in volunteering in the garden or kitchen please email us at

principal@colville.school.nz or call us on

02109120434. There will be a working bee at the start of Term 1 to build the garden beds generously funded by a grant from CILT. All help is welcome and appreciated!

The way that Colville School runs the programme is quite unique giving every child from Y0-8 the opportunity to participate. We have already seen how it will grow leadership across the school from the youngest student leading the Karakia for Kai to some of our oldest learners teaching valuable skills to their younger peers.

Ka kai tahi tatou-we'll eat together

Thank you!

Lastly, we would like to say thank you to the students, the staff, the families and the Board of Trustees for all the hard work that has gone into making this term so amazing. Colville is a very special community and we will be building on our successes next term. There is lots to look forward to including a trip to Hamilton Zoo, creative arts opportunities and a documentary film festival. Rest and refresh over the holidays and we look forward to hearing about all your adventures. **Ka kite anō au i a koutou!**

Save the Date!

- Garden to Table lunch every Thursday.
- **First Day of Term 2 Monday May 3rd.**
- Children's Forest Planting Day, Thursday 6th May, rain day on the 13th of May.

[Garden to Table Vision and Mission](#)

Winter Lecture Series

We'll be running our winter lecture series again this year kicking off on the 13th June with a talk by Fin Buchanan, Senior Advisor of the DOC Conservation Dogs Programme. Taking part in the talk will also be his wife Carol who is a pest detection dog handler and threatened species dog handler, Diane Prince. As usual these talks are free, but koha is welcome. See you at the Peppertree, talks start at 7pm.

Trees that Count

MEG were lucky enough to receive funding from national organisation Trees That Count again this year. This funding has enabled us to purchase 200 trees from the Colville Harbour Care nursery, to plant with the kids from Colville School this month.

MEG and Colville School have been planting trees together in the Waikawau Children's Forest for well over 12 years. The planting has been done on public conservation land at the northern end of Waikawau Bay and means the kids can access the forest anytime to enjoy the changing landscape from all their hard work.

MEG Stoat Trapping Operation Data March 2021

Predator & pest catch data from our entire trapping operation for March 2021. This data covers our Coromandel Kiwi Project, Waikawau Wetland, Port Charles Rat Attack & MEG Kiwi Sanctuary.

Species	March 2021	Total to Date
Hedgehog	8	429
Possum	1	96
Rabbit	2	134
Rat	240	20,184
Stoat	24	2,726
Weasel	5	991
Ferret	0	9

Have a great month everyone!

Contact us at info@meg.org.nz or make a donation by visiting our website www.meg.org.nz

and visit **www.corocommunityacupuncture.co.nz** for specials in May and extended hours.

Kia ora,

Recently twenty six plus students and their tutors were hosted by Waiaro Sanctuary on the Western Moehau. They did surveys and monitoring for Kiwi and opossums. We were amazed with the results, 20 pair of Kiwi were determined to be living on the lower slopes around Waiaro, we had thought previously around 10 pair or so down lower so we were excited as you can imagine.

This goes to show the holistic attitude and methods are working, we leave the birds totally alone but harass their predators big time. Not 100% sure of why so successful but got a few ideas. Waiaro Sanctuary practises Kaitiakitanga (Holistic Conservation) and is poison free. As no chicks or eggs are taken they are free to roam and disperse their traditional Rohe (area) thus populating Moehau.

The local pig hunters around Waiaro must also be congratulated for having well trained dogs that leave Kiwi alone and for avoiding the Kiwi hot spots as well as the farmers and landowners for giving us unlimited access on our mission.

Coromandel Lobby Against Indiscriminate Mining

A brief summary of the address by Coromandel Watchdog at the AGM, February 2021.

Firstly we were reminded of the long history of anti mining protests here on the Coromandel and the countless hours by dedicated volunteers given to this fight. Yet still the Coromandel remains under threat. DOC Conservation land is presumed by many to be safe from mining. But this is not the case. Our Labour Government has approved an application for an underground mine at Wharekirauponga which is on Schedule 4, DOC land. The tunnel would be 6.4km long and the tailings dumped on farmland bought by the company. Hence the petition for a Moratorium on all mining in the Coromandel, which you can sign online at Action Station/ Coromandel Watchdog or at the Colville Store.

Secondly Catherine reminded us that our job as CLAIM is to focus on mining activity north of the Kopu Hikuwai line.
